BRADLEY NEWS

(To late for last issue.)

Well, Thanksgiving has come and gone again and all seemed to spend a happy Thanksgiving where they went.

Mr. and Mrs. Hale were in Solano visiting Sunday.

Mr. Garrison is spending his last few days, (for a while) at the Bradley home. He will leave the first of this week for his homestead in Cuba N. M.

We are so glad to see Mrs. Aspgren able to be back home again after so long a time in the hospital. She thinks her health is some better, we hope it will continue to get better as Mrs. Aspgren surely served her time in sickness.

Mr. Randal visited the school last Tuesday.

Miss Mary Woods came home to spend the week end with her sisters and aunt and uncle.

Mrs. Cora Hazen visited her mother a few days this week.

Terrol Randal had the misfortune to break his arm. While walking on stilts fell and broke his arm in a difficult place. He was rushed to Dr. Daniels hospital at Mosquero, and with the careful attention the Dr. gave it has enabled him to get around and his arm is improving.

A delicious Thanksgiving dinner was given for Grandmother and Grandpa Hazen. As a surprise. It was prepared by the three Hazen ladies and a finer dinner no one ever had.

Grandmother says she was surely surprised and was so well pleased to have most of her family and friends with her one more Thanksgiving. After all had eaten until necessity forced them to quit or suffer the consequences of "too much dinner" they all joined in songs and telling of olden times. A glorious day was spent by all and everyone went their way late in the evening wishing Grandmother and Grandfather many more such Thanksgivings.

Mr. and Mrs. Lysle Hazen visited with Auther and wife Sunday.

T. A. Rice is gathering corn from the Hall farm this week.

W. R. Bradley and Tell were in Roy on business Saturday.

Oscar Murphy was in Roy Saturday.

Mrs. C. C. Moore is again on the sick list. Mrs. Moore has poor health and is not able to get around all the time.

Mr. and Mrs. C. Driskil visited the parental home last week.

Grandpa has been confined in bed for the past four or five days but is up now and seems to be improving some.

Oscar Aspgren was in Roy Saturday on business.

Mr. and Miss Jay Bradley spent Saturday and Sunday with Mr. and Mrs. Smith at Mosquero.

Mr. and Mrs. R. Hazen and Mrs. Don Bradley spent Friday with the Traster family at De Haven.

Quite a few from the Bradsey neighborhood attended the Thanksgiving dance at Roy.

Ralph Hazen took two large truck loads of hogs up to George Ray to whom he sold them.

Joe Woods is gathering corn for his uncle M. L. Woods. home after a month or so vacation.

Wagon Mound has sold their School bonds for 96 cents on the dollar and will soon be building a much to be desired new school building. We commend the board on their stand for a fair price for their bonds and congratulate them on having received it.

The schoolchildren of today will have these bonds to pay and they should have full value received for them. If the present authorities had sacrificed the bonds for 80cts. or less the rising generation would have to pay the full dollar and interest just the same and their education sacrificed to pay bonuses to capital invested where it pays no tax. (Mora Pantagraph.)

The County boards of Education of Harding and Quay held a joint meeting at Mosquero last Thursday and at the joint meeting annexed 15 sections of land of Harding County to the Logan District in Quay County. Logan is building a fine school house and in as much as the territory is lying right next to Logan the Boards thought best to attach it to Logan District rather than build a small school house close to the Logan building.

B. C. Jordan, one of Abbott's smiling farmers was in town on business Monday.

STATE TO GET FEDERAL ROAD AID AT 61.50 TO 38.49 RATE

New Mexico gets \$68,508 of the more than \$1,000,000 allotment for road building carried in the recently passed \$75,000,000 highway act for every \$31.492 the state puts up. Highway Engineer Gillet was officially advised today.

Heretofore the state has had to put up \$50 for every \$50 of Federal aid received, but the recently passed act cuts down the state's percentage because of the federal land in the state that escapes taxation.

This provision also applies to the unused part of the last federal aid allotment and, Gillett estimated, saves the state \$500,000 it would have had to put up had the 50-50 plan been continued.

Killing Antelope, and other game on our lands, either owned or leased by us, will be prosecuted to the full extent of the law.

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.
